For those of you who may still be interested in wifi we will gladly hook you up. Just put your mac# and a check for \$110 in the office drop box.

We have scored some 75 watt equivalent LED lights that we can replace the halogen on some Park models. It will cost you \$40 but they should last 30 years. We aren't going to replace the halogen bulbs anymore because they keep burning out. Sign up now so we can replace them next week. We only have eight at this price.

If you own a corn hole set could we borrow them Sunday at 4.00pm for Colin's party. Colin is the cook at Bar 61 and before that Bacardi's so we have known him for many years. He got a job at Great Bear lodge as a food and beverage manager. This is a really good step in the right direction for him and we wish him all the best.

Holy Cow — There was even a Batman sighting at the Corn Hole Tournament this time! The turnout was great for participants and spectators again!!

To help grow our fireworks fund, look for 50/50 tickets being sold from now through Family Weekend, July 30th. They will be sold at Bingo, ice cream social, food activities, etc. This way we can help build the pot and this allows you to purchase tickets to win. Your guests can also buy tickets too. Last weekend Ray & Rhonda's guests won \$97.50. You do not need to be present to win. I'm sure you all remember and enjoyed the fireworks displays we had last year. Let's make it happen again!! *Thank you, Cindy McGinty*

Last year the fireworks display Family Weekend cost around \$1200. Thanks so the Loves & Bernie, their discounts enabled us to purchase over \$2600 of spectacular fireworks. It's not too late to do it again.

So many said last weekend was really great. I think so too. Thank you
